

## COOLSPORTZ Child protection policy

Coolsportz Sports Organisation aims to create an enjoyable environment for all participants who wish to take part in any other sport and social activities.

We believe that children and young people have the right to be safe, secure and free from threat.

We believe that young people have the right to be treated with respect, and to have their concerns listened to and acted upon.

We will ensure that Coolsportz sessions provide for the needs of junior participants through specific programmes, designated facilities, and safe practice.

We have procedures in place to address poor practice, and to help any young person who appears to be at risk, or who appears to be the victim of abuse. We will offer help and support when a child or young person tells us that they are affected by these issues.

We will take steps to ensure that any volunteers or professionals working with children are suitable to do so, through the use of references and background checks. We will ensure that all relevant people have been vetted and approved through the Criminal Record Bureau (Disclosure and Barring Service) process.

We will ensure that all of those working with children are made aware of the all of the Coolsportz policies including code of conduct for people working with children in any of the sports and are required to follow it.
