

THINGS TO REMIND CHILDREN OF BEFORE THE COOLSPORTZ HOLIDAY CLUB

Please spend some time before attending the holiday club to run through the following points with your child(ren).

Things may be a bit different, but the coaches will still be the same! We will still care for you and keep you safe.

You will need to keep your distance from each other and coaches wherever possible and where you are asked to.

Unfortunately, you won't be able to give each other hugs but you can smile a lot and do high fives in the air instead.

We will try and keep you with your friends as much as we can.

We will be eating outside where possible, so please no nuts for snacks. A drink with your name on always helps us!

What you need to bring –

1. Sun hat, sun cream (a roll on one please with your child's name on)
2. Rain coat, as we want to stay outside as much as possible
3. Tennis racket if you have one
4. Snack but no nuts
5. Any medicine, including inhalers/epi pens in a sealed box with your name on
6. Spare clothes as the weather can change rapidly
7. A little bag to put it all in, so it helps us to not lose things!
