## ***SAFEGUARDING POLICY FOR COOLSPORTZ***

---

### **Purpose and scope of policy**

The purpose of this policy is to set out Coolsportz's position on how children and vulnerable adults will be protected from harm at all times.

Throughout this policy where reference is made to children there is the assumption that this includes vulnerable adults. The definition of children and of vulnerable adults is contained in Appendix A.

Throughout this policy where reference is made to staff and other volunteers who are acting on behalf of Coolsportz.

Throughout this policy reference is made to the Coolsportz appropriate officer. This is Lianne Candappa unless otherwise stated before the activities begin.

### **Introduction**

1. Coolsportz recognises its obligation towards children, young people and vulnerable adults participating in sports activities in that:

1.1. The welfare of the child/vulnerable adult is paramount 1.2. All children/vulnerable adults, whatever their age, culture, disability, gender, language, racial origin religious beliefs and/or sexual identity have the right to protection from abuse 1.3. All suspicions and allegations of abuse and poor practice will be taken seriously and responded to swiftly and appropriately 1.4. All staff have a responsibility to report concerns to the appropriate officer or agency.

2. Staff are trained to deal with situations of abuse or to decide if abuse has occurred, they should however understand who they should report concerns to as part of their work with Coolsportz.

### **Good practice guidelines**

1. All staff are expected to demonstrate exemplary behaviour in order to promote children's welfare and reduce the likelihood of allegations being made. In the event that staff finds themselves working with children in an unsupervised setting, the following are common sense examples of how to create a positive culture and climate:

1.1. Always working in an open environment (e.g. avoiding private or unobserved situations and encouraging open communication with no secrets).

1.2. Treating all young people/disabled adults equally, and with respect and dignity.

1.3. Always putting the welfare of each young person first, before winning or achieving goals.

1.4. Maintaining a safe and appropriate distance with participants

1.5. Building balanced relationships based on mutual trust which empowers children to share in the decision-making process.

1.6. Making sport fun, enjoyable and promoting fair play.

1.7. Ensuring that if any form of manual/physical support is required, it should be provided openly and according to guidelines provided by the relevant National Governing Body Coach Education Programme/Local Authority policy. Young people and their parents should always be consulted and their agreement gained

1.8. Keeping up to date with technical skills, qualifications and insurance in sport.

1.9. Being an excellent role model - this includes not smoking or drinking alcohol in the company of young people.

1.10. Giving enthusiastic and constructive feedback rather than negative criticism.

1.11. Recognising the developmental needs and capacity of young people and disabled adults avoiding excessive training or competition and not pushing them against their will.

1.12. Keeping a written record of any injury that occurs, along with the details of any treatment given.

#### **Practices to be avoided**

1. The following should be avoided except in emergencies. If cases arise where these situations are unavoidable it should be with the full knowledge and consent of someone in charge of the session or the child's parents. For example, a child sustains an injury and needs to go to hospital:

1.1. Avoid spending time alone with children away from others

1.2. Avoid taking or dropping off a child to an event or activity.

#### **Practices never to be sanctioned**

The following should never be sanctioned. You should never:

- Engage in rough, physical or sexually provocative games, including horseplay
- Allow or engage in any form of inappropriate touching
- Allow children to use inappropriate language unchallenged
- Make sexually suggestive comments to a child, even in fun
- Reduce a child to tears as a form of control
- Fail to act upon and record any allegations made by a child
- Do things of a personal nature for children or vulnerable adults, that they can do for themselves

#### **Incidents that must be reported/recorded**

If any of the following occur you should report this immediately to the appropriate responsible person from Coolsportz for the activity and comply with their procedures for reporting and recording the incident. You should also ensure the parents of the child are informed if:

- You accidentally hurt a participant
- He/she seems distressed in any manner
- A participant appears to be sexually aroused by your actions
- A participant misunderstands or misinterprets something you have done.

### **Use of photography and filming**

A photo consent statement is agreed or not agreed to on the booking completed by the parents or guardian of the child. Only the Coolsportz appropriate officer is authorised to take photographs at any time.

### **Recruitment and training of staff**

Coolsportz will take all reasonable steps to ensure unsuitable people are prevented from working with children. Where posts do fall within the parameters of the legislation for checking, these will always be undertaken on appointment of new staff before being deployed to an unsupervised situation. Pre-selection checks will also include for all staff:

- All staff send a CV to Coolsportz and undertake an interview. The interview will elicit information about an applicant's past, and a self-disclosure about any criminal record.
- Two confidential references.
- Evidence of identity (passport or driving licence with photo).

### **Staff understanding of responsibilities**

All staff are required to read the Coolsportz Safeguarding policy and confirm their reading and understanding of the policy through a signed copy that is filed securely. The understanding of the safeguarding policy will enable staff to:

- Analyse their own practice against established good practice, and to ensure their practice is not likely to result in allegations being made.
- Recognise their responsibilities and report any concerns about suspected poor practice or possible abuse.
- Respond to concerns expressed by a child or young person.
- Work safely and effectively with children.

### **Responding to allegations or suspicions**

Coolsportz will assure all staff that it will fully support and protect anyone, who in good faith reports his or her concern that a colleague is, or may be, abusing a child.

Where there is a complaint against a member of staff there may be two types of investigation:

- a criminal investigation
